Cooperative education (or  
co-operative education) is a  
structured method of combining  
classroom-based education with  
practical work experience. A  
cooperative education experience,  
commonly known as a "co-op",  
provides academic credit for  
structured job experience.  
Cooperative education is taking  
on new importance in helping  
young people to make the  
school-to-work transition.
