Nursingâ€™s Social Policy
Statement Catherine E. Neuman,
MSN, RN, NEA-BC Overview
Nursing is a part of the society
from which it grew and continues
to evolve. CHAPTER 1
Nursingâ€™s Social Policy
Statement - Social media -
Facebook, Twitter, etc., - are a
challenge for science. Often
considered frivolous or at least
not serious, they are tempting to
ignore. But it seems that many
anti-scientific or pseudoscientific
ideas are promoted by social media.
What's more, these new social
media are very effective at
promoting messages, especially
in areas ofâ€™ Social media and
science â€™ the problems and the
challenge ... -
